Document Preparation

- Technical Analysis
- Alternatives Development
- Draft EIR/EIS

Review/Adoption

- Public Comment Period
- Public Hearing
- Final EIR/EIS Based on Public Comments
- Notice of Determination
- Record of Decision

ONGOING PUBLIC PARTICIPATION
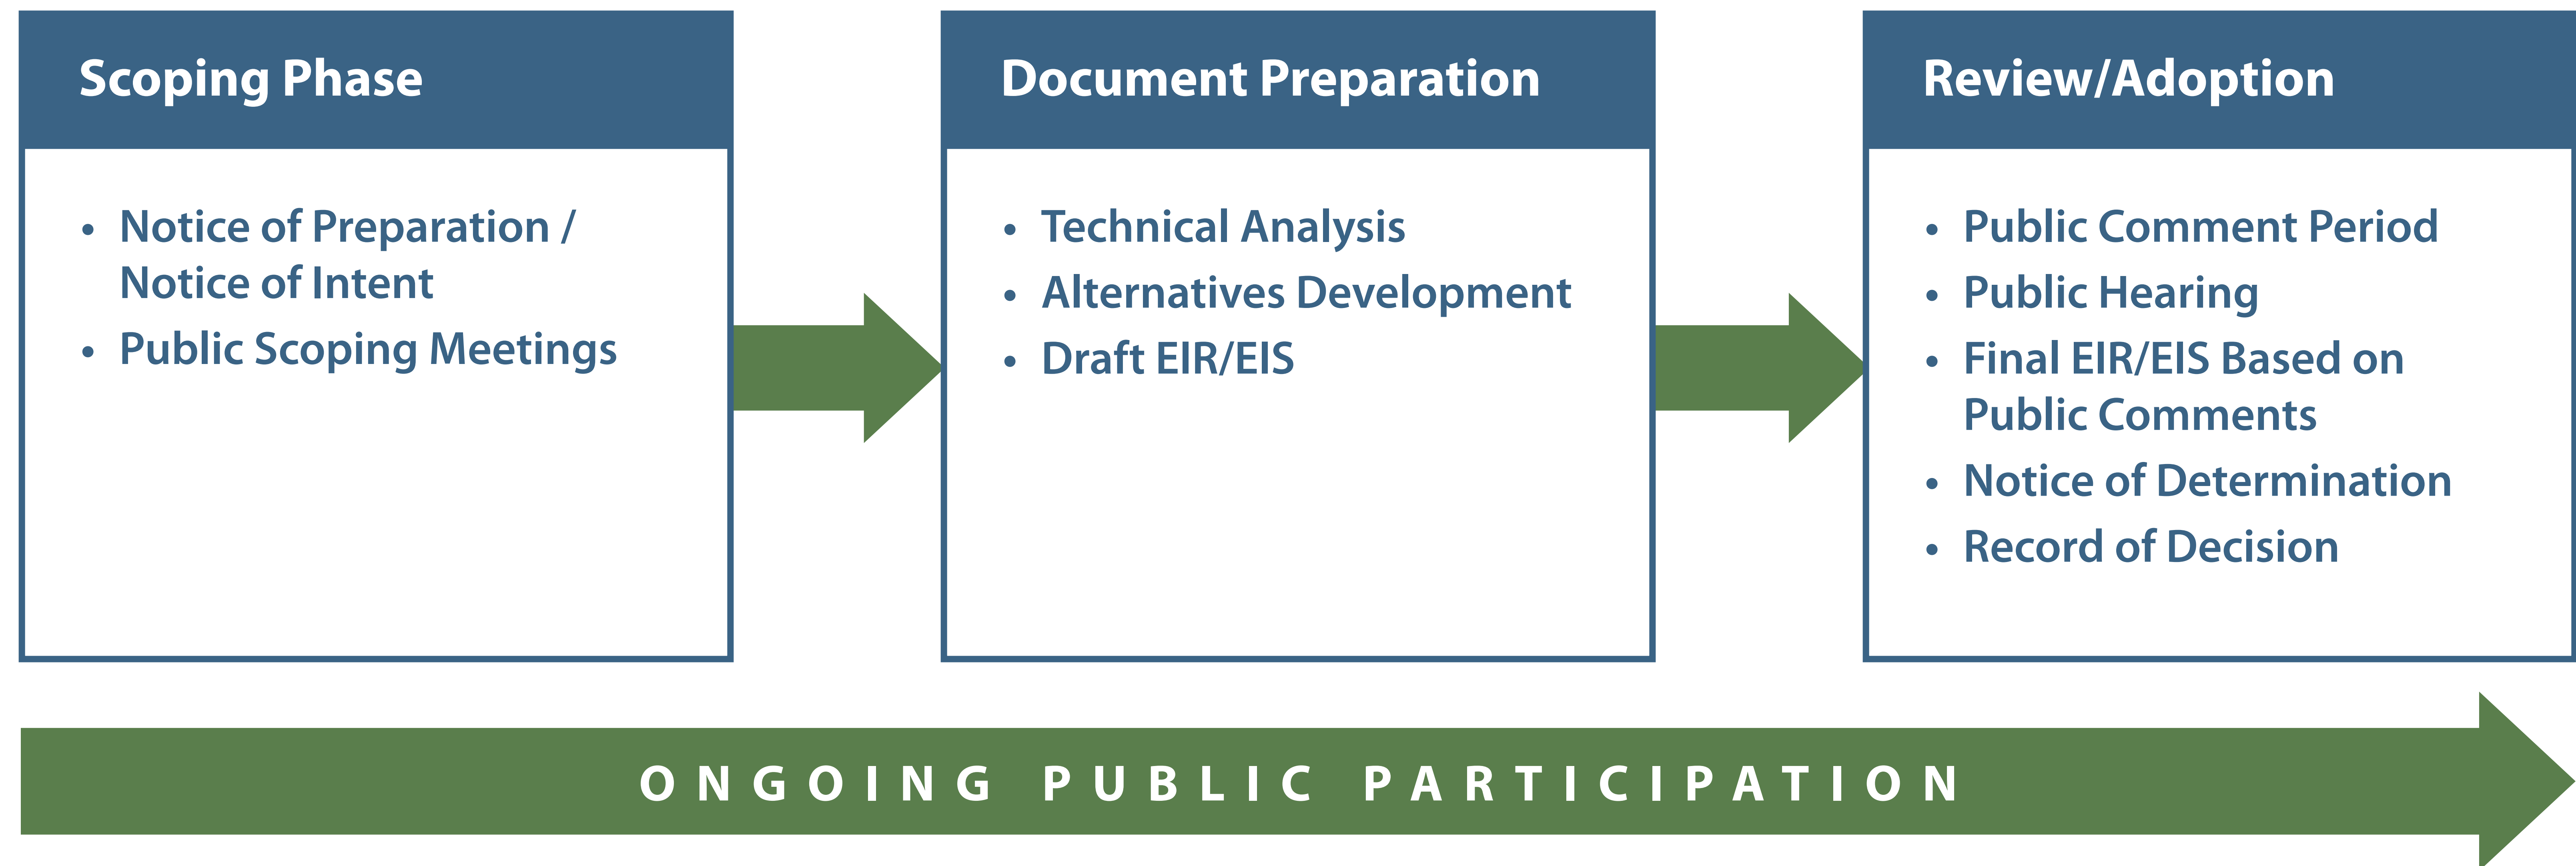

An Environmental Impact Report / Environmental Impact Statement (EIR/EIS) serves a number of purposes:

- Gives the public an opportunity to provide input about issues and possible impacts
- Serves as a source of data and a resource tool for the project
- Identifies potential environmental impacts of the alternatives under consideration
- Allows decision makers the opportunity to consider the environmental impacts of a project before making a decision
